Classy classics bring crowds

VICKI BROOKER

Review Staff

Every decade from the 1920s to the present except the 1940s was represented at Elk Point Auto Club's annual Show and Shine on Saturday, as Main Street was lined with gleaming chrome and a rainbow of shiny cars, trucks and motorcycles. The show drew a good crowd of admirers who voted for their favourites in eight categories as well as checking out the powerful engines and unique features and talking to some of the proud exhibitors.

A 1929 Model A Ford owned by John Parker of Bonnyville drew the most votes of any entry, winning the People's Choice award from Magic Pizza as well as placing first in the Antique category for the Elk Point Auto Club trophy and qualifying for the Complete Excavation Services plaque for Oldest Vehicle.

Second place in the Antique category went to David Nestorowich of Elk Point with another Model A just two years newer, to win the Mystery Man trophy.

That was just the Nestorowich family's first of four trophies, the others collected for second in the Post 60 and sponsored by REMS Welding for a 1969 Cougar, and first and second in the Convertible category, the Gil Garner Memorial trophy for first for a 1964 Ford Falcon and the Elk Point Insurance plaque for a 1965 Dodge Monaco.

The People's Choice... and then some

John Parker proudly shows off his 1929 Model A Ford, which drew the most votes of all 50 entries at the Elk Point Auto Club Show and Shine. The basic black beauty also placed first in the Antiques category and won the Oldest Vehicle award.

Taylor Dechaine, Roy Tymko show St. Paul District 4-H champion steers

VICKI BROOKER

Review Staff

A pair of shiny black steers won conformation judge Tyson Bieleny's top ranking when the Parade of Champions entered the ring at the St. Paul and District 4-H Show and Sale last Monday.

A 1,471-pound steer shown by Taylor Dechaine of St. Lina 4-H Beef Club was declared Grand Champion for the Prairie Tech Oilfield Services banner and the St. Paul District 4-H Council trophy, and later sold to Northpark Collision for \$4.30 per pound.

Roy Tymko of the Elk Point 4-H Beef Club showed the 1,441-pound Reserve Champion, winning the Shamrock Valley Enterprises banner and County of St. Paul No. 19 trophy and selling his steer to JPD Enterprises for \$3.70 per pound. Tymko's steer was also reserve champion at club level.

The champions competed against 13 other steers in the final round of judging, after being chosen as finalists from a total of 69 steers in seven weight classes. Other finalists included steers shown by Lexi Wirsta and Macey Ann Marcoux, Elk Point, Megan Wirsta, Haley Dechaine, Carson Dechaine and Brooke Dechaine of Boscombe, Ryan Fodchuk, Ashlynn Trefanenko, Emily Yaremko and Brooke Kotowich of St. Paul, Amanda Mathiot of Goodridge and Brooke Corbiere and Keagan Locke of St. Lina.

District 4-H

(Continued from Front Page)

The 67 remaining steers sold for an average of just one half cent over \$3 per pound.

Two other steers were brought into the ring by proud groups of club members at the conclusion of the sale. St. Paul members brought in their Charity Calf, donated and raised by the club with feed donated by Evergreen Farms, which sold to Xtreme Oilfield for an even \$5 per pound, raising \$6,480 for their chosen charity, the St. Paul and District Hospital Foundation.

Elk Point members once again accompanied their STARS steer, which was donated as a calf by Murry and Lisa Nielsen of Shamrock Valley Enterprises and was fed and raised by Kevin and Janice Wirsta and family at K-Cow Ranch. The steer sold to Shamrock Valley Enterprises for \$5.80 per pound, a total of \$7,754.50 to add to the more than \$40,000 the club has donated to STARS in the past.

Earlier in the day, St. Lina took first place and the HiPro Feeds Ltd. trophy for Stall Display, judged by St. Paul County agriculture fieldmen, with Goodridge taking home the second place ribbon.

Five fine steers from the St. Paul MultiClub took the Pen of Five honours and the TD Canada Trust, St. Paul Branch trophy, edging out St. Lina.

Individual Judging awards sponsored by St. Paul District 4-H Council went to Junior members Macey Ann Marcoux of Elk Point, first, and Carson Dechaine, second, Intermediate members Megan Kotowich, St. Paul, first, and Haley Dechaine, second, and Seniors Baxter Bailey, Boscombe, first, and Jamie Kuzma, St. Paul, second. Team judging

was determined on the average of the scores of all members of each club, with Goodridge placing first for the St. Paul Municipal Seed Cleaning Association trophy and awards from AGSI and Wozniak Bulk Fuels. Second place went to St. Paul. Richard Brousseau was the card judge.

Keagan Locke, whose steer gained 4.08 pounds per day, took the Daily Rate of Gain trophy from Master Feeds home to St. Lina.

Grooming and showmanship were judged by Jordan Prior and April Wardlow. Winners, with sponsors in brackets, were: Junior Grooming - 1. Kyle Yaremko, St. Paul (Tri-Ag Implements), 2. Lexi Wirsta (Century 21 Poirier Realty); Junior Showmanship - 1. Emily Yaremko (Agland), 2. Rebecca Kotowich, St. Paul (ATB Financial); Intermediate Grooming - 1. Monica Mathiot, Goodridge (Lakeland Family Eye Care), 2. Kailey Wirsta, Elk Point (Fountain Tire); Intermediate Showmanship - 1. Cameron Kuzma, St. Paul (Terry Holmgren), 2. Haley Dechaine (TD Canada Trust, St. Paul); Senior Grooming - 1. Roy Tymko (Smyl Motors), 2. Ashley Bristow, Elk Point (Caouette and Sons); Senior Showmanship - 1. Jamie Kuzma (Servus Credit Union), 2. Heidi Tymko, Elk Point (ATB Financial).

Master of Ceremonies for the show was Spencer Graling, with Edith Fontaine and Guy Brousseau as ringmasters and Ron Wirsta, Guy Brousseau and Real Corbiere as weighmasters. Servus Credit Union served up a hearty breakfast to start off the day and the County of St. Paul provided an excellent supper prior to the Parade of Champions. Western Pride Auctions conducted the sale.

SENIOR SHOWMANSHIP - Judge April Wardlow presents Heidi Tymko with the ATB Financial award for second in Senior Showmanship.

Congratulations to all our 4-H winners!

Chamber pursuing more self-sufficiency for EcoCentre

VICKI BROOKER
Review Staff

Does anybody out there need a wind turbine? Elk Point Chamber of Commerce members voted last week to put the Visitor Information EcoCentre's turbine up for public auction, and to put the funds to use on other ways to cut the centre's operating costs, such as adding on to the solar panels, changing the lights to LED or installing solar heating tubes.

The turbine has been shut down for almost two years due to noise complaints, and while very costly decibel testing might allow it to be put back in motion, another complaint at any time could shut it down again. Without the turbine, the centre is no longer a test site for Lakeland College, so selling the unit seems to be the best option.

The chamber also learned at last week's meeting that the centre's rarely used telephone is part of a very costly package, the rest of which is not currently being put to use at all. The Town of Elk Point has been paying for the package, which was originally purchased for the use of their economic development officer, but that position has been discontinued for some time, and the chamber agreed that the package should be cancelled.

The Visitor Information EcoCentre will be staffed from 10 a.m. to 5 p.m. on Saturdays only for the rest of June, and Wednesday through Saturday each

week in July and the first half of August. New tourist information, including maps, campground and accommodation guides, is arriving daily.

Economic development is one of the priorities of the chamber, and town council representative Dwayne Yaremkevich has agreed to join the chamber's committee when it resumes activity in the fall.

The chamber will not take a break this summer, according to president Jonny Nielsen, who says there are plenty of matters that need attention before fall arrives.

The president has now met with Alberta Health Services personnel and is hopeful that the red tape that has so far prevented the Health Care Centre's x-ray machine from being connected to the facility's emergency generator will be a thing of the past and that the connection can be approved. He has also learned that there is definite interest in a portable x-ray machine, but it would have to meet certain criteria in order to work with existing systems and if donations were raised, they would also have to cover five years of usage. He noted that sometimes, donated items end up costing AHS money that is not in their budget.

"It's time for the community as a whole to get together, look outside the box and see what we need in Elk Point," Nielsen said, urging everyone to think about the matter until fall.

OPENING SOON

Guardian PHARMACY

Feeling better starts here

Capsule Comments

There really is no safe way to tan. In fact, in some circles, a "healthy tan" is an oxymoron. Skin experts say it takes only one painful, blistering sunburn during the first 10 years of life to double the risk of skin cancer. This is one situation where "an ounce of prevention" is certainly true.

Protect your skin this summer.

June is **Brain Injury Awareness Month** in Canada to raise awareness that "a concussion is a brain injury". Brain injury is a silent epidemic. In fact, it is the number-one killer and disabler of people under the age of 44. The Brain Injury Association of Canada urges all Canadians to help prevent acquired brain injuries by wearing helmets while cycling, skateboarding and playing contact sports.

Are you a slow eater? Good for you! Studies done on this topic show that those who take time with their meals and chew their food longer will consume fewer calories and you will feel fuller faster. Food digestion begins in the mouth so chewing longer will help this first phase of digestion.

Dr. Ted Sourkes died in January. His research provided a great step forward in the treatment of Parkinsons (PD) when he noticed that PD patients' brains had lower levels of dopamine. Dopamine doesn't pass through the barrier to the brain, but he noticed that a precursor to dopamine, *L-dopamine*, did enter the brain. This drug provided PD patients with a new lease on life.

When new drugs are discovered, chances are that we will know about them. Keeping current with what's new in medications is an important part of our job.

WE'D RATHER SELL IT THAN MOVE IT!

With the move to the new downtown location just weeks away, there has never been a better time for you to stop by our current location to take advantage of the many discounts that are currently being offered.

EDITORIAL

In praise of learning

This week's news includes the results of some very different kinds of learning, from how to groom a show animal to perfection, to cramming one's brain with the many facts necessary to receive a high school diploma, to honing the skills it takes to get up on stage and perform music or to build a most magnificent toolshed.

Education ranges from learning the basic facts of math, science, history and social studies to learning how to put together a sentence properly and how to read sentences others have written, and is extremely important - you couldn't read this without it. But all those other skills are also valuable.

If you're a farmer or rancher, you'll need all 4-H can teach you. If you're a homeowner, building skills will save you thousands of dollars over the years. And music... music can relax, entertain and be enjoyed by both the musician and the audience.

These and many other skills are well worth learning.

FROM THE FCSS DESK...

Our community volunteers!

ALANIA SANREGRET
FCSS Director

Hello Elk Point!

I'm continuing to work on Our Community Volunteers! with Jena, our Town Recreation Coordinator, and developing a framework for a Family and Youth Initiative. Information packages will be ready for our Community Information Night, September 8, 2015. I'm currently accepting Information Night registration over the phone (780-724-3800), or you can email alaniaepfcss@gmail.com for a form.

On the last weekend in May, I attended the first Emergency Social Services NE Regional Meeting, in Westlock. Many organizations that provide these services to their communities were present. It was quite interesting as the Town of Westlock is currently providing services for evacuees from the areas experiencing wildfires. We were able to discuss real time action and reaction of a serious emergency, the gaps in services as well as ingenious solutions.

This meeting coincided with the North East Regional FCSS meeting; staff, board members and municipal council members involved with FCSS programs met with our Regional Representative Roxanne Bergheim, our new FCSSAA Executive Director, Deb Teed, and Executive Director of Community Partnerships for Alberta Human Services, Ken Dropko. There will be some new developments for FCSS in the areas of early childhood, funding opportunities and specifically addressing issues for smaller, rural FCSS programs (that's us!).

I also recently spoke to Ken Rabb, who is coordinating the Man Van (<http://www.prostatecancercentre.ca/manvan/>) throughout Alberta, and we have arranged for the Man Van to provide a clinic here in Elk Point on August 16th from 4 to 7 p.m. The Man Van is a mobile unit operated by the Prostate Cancer Centre. Inter Pipeline has sponsored them to come to our region to provide PSA blood testing for early detection of prostate cancer. It is highly recommended that men over 40 years old get checked regularly. In Alberta, one in seven men will be diagnosed with prostate cancer during their lifetime.

WAY BACK WHEN...

Champion livestock, turning points and shiny showpieces

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF JUNE 9 IN...

1985

Dwayne Vogel showed the Grand Champion steer and Lyle Yushyshyn the Grand Champion female at the Elk Point 4-H Beef Club's 20th annual achievement day, with Leanne Drobot and John Brooker showing the reserves. A late attack of spring fever hit the chamber of commerce, lowering attendance at the meeting to only 16 members, with absentees including the president and vice president and the meeting chaired by the secretary.

1990

For the second consecutive year, an Elk Point 4-H member showed the Interclub Grand Champion at the St. Paul 4-H District Show and Sale, this year's honours going to Robyn Danyluk. A total of 32 new records were set at the County Track Meet held in Elk Point, with Joni Matthews contributing three of them and Darcy Stafford another pair, and Amanda Ference and Cristin Oszust joining them as overall winners for their age groups.

1995

Heinsburg's Class of 1995 found it "So Hard to Say Good-bye to Yesterday, with valedictorian Edlyn Smuk noting, "Today, this minute, this second, is the turning point in our lives." The decision to move the Elk Point Auto Club's annual car show downtown and to combine it with sidewalk sales, music and fun for the family was a major hit with shoppers and strollers, and brought out everything from a 1928 Ford convertible truck to radio controlled aircraft.

2000

Matthew Robinson and Taralee Babanek showed Elk Point's Grand and Supreme champion 4-H ani-

The Elk Point Review publishes a variety of opinions as a contribution to debate on matters of public concern. Unsigned editorials express the view of this newspaper's editorial board which includes the Publisher and the Editor. Signed pieces express the view of the individual writer.

mals, with Leanne Ference showing the reserve champion steer and Michelle Zapesocki the reserve champion female. Elk Point Auto Club's show and shine was the biggest and best ever, with 58 entries spanning nine decades of vehicular history.

2005

Jared Vallee accepted the Elk Point Co-op Grand Champion Steer banner from Mark Gormley at the 2005 Elk Point 4-H Achievement Day.

Cousins Jared Vallee and Brittany Houle shared the honours at the Elk Point 4-H Achievement Day, Jarred showing the grand champion steer and Brittany the reserve, Shaun Robinson showing the grand champion heifer and Alanna Ockerman the reserve champion heifer. Mark Woytkiw, Curtis Porcina, Kim Werenka, Jim Vinge and Dustin Yaremkevich were the low score team at the sellout Sixth Annual Emergency Services Golf Tournament for STARS.

2010

Katelynn Vallee showed the grand champion steer and Ashley Bristow the reserve champion at Elk Point 4-H Multi Club's Achievement Day, where Nicole Tymofichuk showed the only cow-calf project. A total of 36 shined-up and showy vehicles lined Main Street for the annual Elk Point Auto Club Show and Shine, where a gleaming yellow and white 1969 Edsel once owned by the late Johnny Orschuk and displayed by current owner Gary Fakeley won the Antique category.

We acknowledge the financial support of the Government of Canada through the Canada Periodical Fund of the Department of Canadian Heritage.

Three groups and a business came together last week to make presentations toward the Pete Stafford Memorial Park. Left to right are Community Lions Sue Campbell, Diane Pfeifer and Crystal Boorse, committee members Brandi Krankowsky and Karen Stafford, Lion Doug Bassett, Community Lion Susan Frisby, Lion Jason Boorse, and Ryan Hahn, representing both Hahn Welding and the Elk Point Oilmen's Association. Elk Point and District Lions and Elk Point Community Lions each donated \$5,000, Elk Point Oilmen's Association \$3,000 and Hahn Welding \$1,000 toward the park.

ATB Financial recently donated \$1,500 to the Pete Stafford Memorial Park. Left to right are ATB staff members Kaitlyn Rosychuk, Faye Poitras, park committee members Brandi Krankowsky and Karen Stafford, ATB staff Carla Ganske and Brianne Greening.

Organizations, businesses assist park project

VICKI BROOKER
AND CARLA GANSKE

A total of \$15,500 in donations received in the past two weeks are bringing a much needed Pete Stafford Memorial Park project closer to becoming a reality.

The Stafford family, who raised \$20,000 through the Pete Stafford Memorial Golf Tournament to kick off the project, hopes the playground, in honor of Pete Stafford, will be completed this fall. The Town of Elk Point pledged \$15,000 toward the project, BUMP Energy donated another \$2,000

and the committee is waiting on a government grant, matching funds already in place at the end of December before they can order the equipment.

The park will be replacing the existing playground on Centennial Drive. This playground will have unique pieces of equipment from the school playgrounds and is also in the centre of Elk Point newest development.

The park will be named after Pete Stafford who spent his life in the Elk Point area. He was a community man who owned a local welding business and donated much of his time and labour to the community.

The Great Elk Point Selfie Scavenger Hunt is underway! It's a really fun way to discover Elk Point, and WIN great prizes. Up for grabs is a West Edmonton Mall Family Get-Away, worth \$500. There are also secondary prizes from our sponsors, a Family Movie Night from Hometown Grocers and a Family Dinner thanks to Empress Family Restaurant. If you don't have your scavenger hunt list yet, visit us at facebook.com/elkpointalberta. You can also find you list at Hometown Grocers, Empress Family Restaurant, the Elk Point Review, and the Library.

Each year, it's as if the world starts spinning faster and time just speeds by. The school year is almost done and our fresh faced grads are ready to say good bye to F.G. Miller and hello to new

adventures. The summer really begins when those graduates walk out of the doors for the last time as students. It's the first celebration of the summer and a great lead-in to Canada Day.

The town wide celebrates are going to be fabulous this year. The committee has been working hard to ensure classics, like the pancake breakfast, parade, stage show, and fireworks are in place. There's some returning favourites, like Survivor, and the bouncy houses (this year there will be a special "tots only" house for the small toddlers). New to the festivities this year is the Chili Cook-Off, if you have the best recipe around, or the spiciest heat be sure to enter. You could win great prizes- and of course bragging rights!

Spots have been filling up for Canada Day Idol. If you're an amateur singer looking to get noticed or need a stepping stone to

help you on your way to a magnificent career, then you need to enter. Previous winners include Olivia Rose, Renee Malo, and Cassidy Zahar. All of whom have found success in the local and provincial music scene. The Grand Prize in the competition is recording time, with a demo package from Phunkin Gruuve in Lloydminster, Wee Wright Studio, Black Box Music and Panich Music in Bonnyville. There is a junior category, (under 14 years of age) the winner will also receive some recording time. AND back this year is the Shooting Star Award, for the contestant that shows the best stage presence and promise.... Which I should add my girls, Heaven and Patience, have won for their fantastic duets! If you would like to enter or want more info on any of the Canada Day events email recreation@elk-point.ca.

You're at home here.

Outreach schools honour 'amazing' graduates

GRAD CLASS - Students of St. Paul Alternate Education Centre and Elk Point Outreach School sit on the Ukrainian Cultural Centre stage for a group photo during the outreach schools' graduation ceremony, June 4.

JANICE HUSER
Review Contributor

Colourful, unique gowns, and dark suits filled the stage at the Ukrainian Cultural Centre on Thursday afternoon, as over 30 graduates were in attendance for the St. Paul Alternate Education Centre (SPAEC) and Elk Point Outreach School (EPOS) graduation ceremony.

The afternoon celebration honoured the successes of 34 graduates, although not all students of the schools take part in the graduation ceremony, meaning the number of successful students coming from the two programs was actually closer to 40, according to principal Janice Muench.

Throughout the afternoon's events, the graduates' chosen theme, "You don't have to be ordinary," echoed in the speeches that were given.

"If you're not making mistakes and taking risks, you're not living a full life," said Muench as she spoke to those in attendance. She added that when we are young, we are so in touch with who we are as people, and somewhere along the line, that feeling can be lost.

But, it's important to find that connection again.

"Of course, you all have someone who has helped you," said Muench, as she looked at the graduates on stage. She added that many of those people were likely sitting in the hall at that very moment, or were with the students in spirit.

She described the graduates as, "an amazing group," before giving the microphone to Teresa Boratyniec of EPOS.

"We have pushed, pulled and dragged," said Boratyniec, adding, the students should feel confident that wherever they go in life, they will always have the support of the staff at EPOS to rely on.

This year's valedictorian, Brandon Cardinal, also took time to address his fellow graduates.

His advice was simple. "Throughout your life, always be yourself," said Cardinal, adding, "Life is all about learning."

He further encouraged students to let go of what they can't control and be grateful for what they have. He described his experience at SPAEC as one filled with "great times and great people."

Following speeches and a slide show presentation, a few awards were handed out to students of both schools. Award recipients include:

Highest Average – Brandon Cardinal (SPAEC)

Most Improved – Jewel Poitras (EPOS) and Whitney Cardinal (SPAEC)

Knowledge and Employability – Sarah Hartt (EPOS) and Caylon Jackson (SPAEC)

Citizenship Award – Edna Kulczycki (EPOS) and Jayson Podloski (SPAEC)

Leadership Award – Kaylee Cardinal (EPOS) and Kathryn Charbonneau (SPAEC)

Show and Shine entries included the classic 1956 Edsel, above, rainbow coloured first and second place convertibles flanking the winning Work in Progress Dodge Challenger, above right, Harvey Derewynka's first place 1955 Chev pickup and his son's artwork-covered first place motorcycle, a 208 Harley Davidson

Show and Shine

(Continued from Front Page)

Eugene Nestorowich of Edmonton also was a winner, taking home the Ed Nelson Memorial trophy for Work in Progress with his 1973 Dodge Challenger.

First place in the Post 60 and the Shamrock Valley Enterprises trophy went to Robert Duffy's 1964 Studebaker.

Allan Christensen of Mallaig took home the Empress Restaurant trophy for first place in the Pre 60 class for his 1955 Buick, Paul Yaceyko placing second with a 1958 Thunderbird for the Clyde Diesel Memorial trophy.

One of the newest vehicles on display, a 2012 Suzuki shown by Gary James, won the Knotty Boyz trophy for first in the Show category, second and the Lakeland Realty trophy going to Roland Moneta's 1968 Chev.

A tomato red 1934 Ford coupe with suicide doors earned the Bill Currey Memorial trophy in the Modified class for Deb and Daryl Everett of Cold Lake, Second place and the Signatures Collision and Frame trophy went to Justin Robinson of St. Paul for his 1969 Camaro.

Harvey Derewynka's metallic orange 1955 Chev pickup won the Truck class first place trophy from Bumper to Bumper, with Brian Samuels of Cold Lake taking home the Rangeland Energy Savers trophy for his 1957 Mercury pickup.

There were two winners in the Derewynka family, with Kris winning the Sheldon Cochrane Memorial trophy for his artwork-covered 2008 Harley Davidson in the Motorcycles category, second and the Harold Lefebvre trophy going to Don Anderson for his 2003 Harley.

This year's Farthest Away trophy, sponsored by Elk Point Burger Bar, went to Stephanie Koppers of Streamstown and her 1973 Mustang.

Draw winners of model collector cars were Andrew Nakonechny, Kaiden Evans Anderson and Don and Siri Lorensen. Door prizes went to exhibitors Zach Friesen, John Parker, Deb and Daryl Everett, Renita Senz, Cory Greenwall and Chevy Botting.

POWER TO SPARE - Justin Robinson of St. Paul placed second in the Modified with his 1969 Camaro with the biggest motor in town.

Community Futures St. Paul - Smoky Lake Region

ANNUAL GENERAL MEETING

Thursday, June 18th, 2015

6:00 pm meeting

Community Futures Boardroom
4802 - 50 Avenue, St. Paul, Alberta

K+S Windsor Salt Ltd. is involved in the mining, refining and distribution of salt products.

The K+S Windsor Salt Lindbergh Facility, located 2.5 hours North East of Edmonton in the Lakeland Area, has an immediate opening for a:

MILL SUPERVISOR

Reporting to the Facility Manager, the Mill Supervisor is responsible for directing, training, and motivating hourly employees at a multi-shift industrial facility. The selected candidate will also be responsible for all operations goals and targets pertaining to safety, quality, delivery, cost, morale, and the environment. In addition, the candidate will be responsible for ensuring productivity and throughput for the mill operation. This position will have active involvement with the workforce to improve operations through continuous improvement activities and projects. This candidate will also be responsible to lead all Health & Safety programs within the department and will be an integral member of various teams to support facility initiatives.

You should have relevant supervisory experience in a unionized environment. Preference will be given to those with a Bachelor's Degree in Engineering (Mechanical, Manufacturing etc.). Recent Engineering graduates that have a strong mechanical aptitude and good problem solving skills with a desire to pursue a career in management are encouraged to apply.

K+S Windsor Salt offers a competitive compensation and benefit program. Please mail or fax your resume to: K+S Windsor Salt Ltd., Box #9, Elk Point, AB., T0A 1A0. Fax 780-724-3827 or email: clawrence@windsorsalt.com

K+S Windsor Salt is an equal opportunity employer. We thank all applicants for their interest, but only those selected for an interview will be contacted.

The Salt of the Earth

Rocking Outside the Lines

The King Size Players (left to right) Austin Stafford, Shane Larmand, Emma Poulin, Jessie Kim, Keanna Radcliffe, Savannah Lawrence and Cameron Garnett-Bennett had everyone rocking up a storm to AC/DC's 'All Night Long' as last Thursday's 'Outside the Lines' neared its conclusion at F. G. Miller High School. The evening featured a number of groups from Larmand's music lessons and a variety of music that ranged from Fleetwood Mac's 'Don't Stop' to Neil Young's 'Heart of Gold' to Black Sabbath's 'Iron Man' and was twinned with a display of art and industrial education projects created by F. G. Miller Junior and Senior High students.

Vicki Brooker photos

LET'S HEAR IT FOR NEIL - Parker Allen, Jessie Kim, Emma Poulin, Hank Rogal and Cameron Garnett Bennett perform a Neil Young classic, 'Heart of Gold.'

FREE FALLIN' - The Tom Petty hit was performed by Colby Havener, Sarah and Sophie Kim and Zea Garnett-Bennett, with Shane Larmand on drums

NEW PERCUSSIONISTS - Trayden Gadwa and Rylee Anderson pound out the rhythm to Van Morrison's 'Brown Eyed Girl' to accompany (not shown) Nicole Gormley and Austin Stafford.,

PROJECTS LARGE AND SMALL - Art of many kinds, from a huge and elaborate garden shed to unique masks, finely crafted clocks, detailed ceramics, smaller woodwork projects, glass etching and artwork in media ranging from pencil to pastels to pen and ink and in styles from Group of Seven and Dali copies to Surrealism, impressionism and expressionism were all part of the 'Outside the Lines' showcase.

Squirt Girls have .750 winning percentage

Winning three out of four is a very good record in my books; in fact if any team playing in the majors had a .750 winning percentage they would be ecstatic. The squirt girls have played four games this year, winning three out of four of them and defeating Bonnyville, Lac La Biche and Cold Lake and then losing to St. Paul this week. The pitching on this team is really coming along with the expert guidance of Taylor Cochrane who is donating her time to teach the girls the fine art of pitching and it is very much appreciated. Taylor has played some very competitive ball; only a few years ago she played in the western finals at the midget level of girls' fastball. Quite a few home runs this year by the solid starting catcher Sadie Baker. I mistakenly put her in the paper last week as Abby, her sister who plays with the peewee group. Sorry Sadie! Brooklyn Gochko is one of the main starting pitchers from this team and can be counted on to get the team off with a bang. "Mamma Mia" what a closer Mia Quinney is developing into. Against Bonnyville it was three up, three down. The first time ball player Mykaela Verenka has been practicing hard as a pitcher as well and really stepped it up against St. Paul this past week. Avery "Whirlwind" Warawa has an awesome glove on first base, scooping them out of the dirt or wild ones off the bag; she has been helping out on the mound as well, developing a real whirlwind

**doug
BASSETT**

Review Sports

of a pitch. Jadey "the Lady" Capjack has a super arm for making the throw from short or third, I've witnessed this myself a few times. Chole Bendixen is also very solid, playing on short stop. Not much gets by this girl. Paige Skarsen has made some terrific defensive plays this year as well in the infield. At the plate, Kailey Radcliffe has come a long way with her hitting and driving in runs. And speedy Ryley "the Rocket" Warawa can run, she's a genuine base stealing machine when she gets on base; look out - before you know it she's sneaking home.

No need for sneaking here, just speed! Another in-the-park home run for "Gorgeous Georgia" Bendixen when the peewee girls tied Bonnyville 24 to 24 this past Monday.

The Bantam Sox are undefeated in the house league play, winning another two games this past week, the first one against Cold Lake on Monday night and then winning another one against Vermilion on Wednesday. Both games were played here at home. Kaiden "K Rock" Evans Anderson hammering a home run against Cold Lake, Nicholas "KKK" Tucker with two triples and 5 RBIs, Dustyn "Dust Pan" Pankiw with a single and triple, Cody "the Babe" Fairbairn with two singles.

Against Vermilion, it was three up and three down for chucker Corbin "Crusher" Ockerman up on the mound, "Crusher" doing some more damage at the

plate as well with a single and a sweet double down the third base line. Christian "Wheels" Castle Wasson with two walks and a RBI single. Brayden "Magnet" Fairbairn with a RBI single, Hunter Nelson and Angus McFarlane both on base, three for three.

The Mosquitoes Number 2 team played at home, winning 21 to 13 over Bonnyville this past Thursday. Cash "CC" Capjack up on the hill to start getting three outs in fine fashion and only facing four batters, Spencer McNamara failed to catch them but not for lack of effort on two pop flies, Nathaniel Cousins pitching his first game working hard to hit the strike zone but he never giving up an inch in trying, Nathaniel also hitting a home run in this one. Sam "Spiderman" Rogal also took a turn on the mound and contributed to the win. The Fontaine brothers, "Kid Kade" and "Mic Jager" ripping a home run each also, but the whole team did well on the sticks on this night and are becoming awesome ball players and great sports as well. Bonnyville was short of players so the Sox team spotted them three players, Alex, Heath and Wyatt volunteered to go over and play with the opposition.

Now for the K.A. Campbell quote of the week. "You can't win if nobody catches the ball in the outfield. You're only as good as the team you have behind you." Last week's answer to: "There's nothing greater in the world than when somebody on the team does something good, and everybody gathers around to pat him on the back." - Billy Martin

Please Join Us for a Day of Stockmanship with Curt Pate

For more than a decade, Curt Pate has been conducting demonstrations and clinics on stockmanship, colt starting, horsemanship and safety. His abilities conducting both horsemanship and stockmanship demonstrations along with his ability as an effective communicator have made him a sought after clinician both on the national and international scene.

The clinic will offer a classroom session with Curt Pate focusing on animal behavior, sustainability, consumer satisfaction and Beef Quality Assurance practices, followed by a live cattle handling demonstration using 10 head of cattle. Topics covered in this portion will include gathering, sorting, treating and moving cattle in an effective manner, processing and loading. For more information on Curt Pate please visit: www.curtpatestockmanship.com

CNRL contributes to Victim Services

ELAINE ZIOMEK
Elk Point and Area Victim Services

Elk Point & Area Victim Services Society (EPVS) recently received a \$22,229.58 donation from CNRL's Field Donation committee.

EPVS is a police-based victim services unit that provides programs and services that benefit victims of crime during their involvement with the criminal justice process (e.g. domestic violence, child sexual abuse, sexual assault, motor vehicle collisions, sudden death, break and enters). EPVS can assist anyone living in the Elk Point RCMP detachment area if the need arises.

EPVS funding began in 2011. The Society operates on restricted funds which come from a grant issued by the Victims of Crime Fund and any unused grant money must be sent back to the Solicitor General at year-end. These monies are strictly earmarked and cannot be used for direct client services. Therefore, fundraising is vital in providing all necessary services to clientele. Fundraised money is marked as unrestricted funds and can be used to help Victims with essentials such as: lodging, food, diapers. These basic services can be approved by the Victim Services Coordinator or the RCMP Detachment Commander.

Storseth announces major investment in rural internet service

OTTAWA – Everyday tasks that were once done in person, such as shopping, communicating, learning and banking, are now done online. To help Canadians have better access to these and other online services, Brian Storseth, Member of Parliament for Westlock-St. Paul, announced that 610 homes in his riding will get access to high-speed Internet services. The Government of Canada has partnered with local companies YourLink and MCSnet to enhance rural internet services in the area.

"Today's broadband infrastructure announcement is great news for Westlock – St. Paul," commented Storseth. "Our government understands the importance of high-speed Internet access for communities like ours. Connecting Canadians demonstrates the Government's commitment to delivering for rural Canadians."

The Government of Canada is delivering on its commitment to rural Canadians to connect an additional 280,000 households in rural and remote regions of the country to high-speed Internet at minimum speeds of five megabits per second. Much of this will be completed by the time Canada celebrates its 150th anniversary in 2017.

Last summer, the Government completed the first step, inviting Canadians to provide feedback online to help better determine areas in need of high-speed Internet access.

Show and tell time at Further Ed

Crafters and quilters gathered at Elk Point Further Education on Wednesday to show off the results of spring classes and projects and to discuss upcoming activities over a potluck lunch. Displays included everything from huge and intricate quilts to greeting cards and original fabric artwork.

CLASSIFIED AD DEADLINE - WEDNESDAY 4 pm

Heritage Lodge celebrates Seniors' Week with barbecue, music

VICKI BROOKER
Review Staff

Heritage Lodge residents enjoyed a house full of visitors on Thursday, as family and special guests joined them for a barbecue supper celebrating Seniors Week.

"It's a special week set aside for special week," said recreation coordinator Lori Kadutski as she welcomed "130 people here, the most ever."

Heritage Lodge Auxiliary president Diana Anderson took the opportunity to thank some donors who have made life more pleasant for the residents. Canadian Natural Resources Limited donated \$13,000 for a walk way that links the lodge

with Elk Point Health Care Centre, allowing easy access and in some cases, saving the need to call an ambulance to transport residents to the facility.

She also thanked the Alberta Council on Aging, whose \$1,000 donation purchased a computer and new outdoor furniture, the Health Care Centre Auxiliary and lodge residents for contributions toward flowers, the Town of Elk Point and County of St. Paul for sharing the cost of building a garage for the Handi-Bus, and the Town for covering the cost of maintenance and insurance for the bus. Additional thanks went to all the volunteers and staff, who "go over and above what they are supposed to do" to keep residents happy and comfortable.

Vicki Brooker photos

FAMILY BAND - The Poulin Brothers, Bert, Harold and Dionnis, entertained Heritage Lodge residents and their guests with some most enjoyable old time country songs.

County celebrates seniors

The County of St. Paul FCSS hosted their first of three Seniors Week luncheons in Heinsburg last Tuesday, with (left to right in photo at right) Regional Advisor for Seniors MJ Tkachuk, County FCSS Board member Irene Pilisko, FCSS Director Janice Fodchuk and her assistant Claudette Webber coming to the community to prepare lunch for a very appreciative group. They also held luncheons at Mallaig and Ashmont later in the week.
